We come from different places in life, literally and figuratively, following the star to meet before the manger.
Together, let us worship the newborn King.

On entering the house,
they saw the child with
Mary his mother;
and they knelt
down and paid
him homage.

Dear Brother Priests,

I write in order to remind you of the nine-month Seminar Series entitled "Bioethical Challenges of Our Time" and to encourage you to attend. The Bismarck Catholic Physicians' Guild and the University of Mary have been planning this for more than a year. It could be described as a once in a lifetime opportunity. The presenters are from the National Catholic Bioethics Center and are some of the leading experts in the field. It is one Friday evening and Saturday morning per month for nine months. The first weekend is January 20th and 21st. Please see the attached posters and brochures which provide needed information, including the registration information. Posters will soon be sent out to every parish. Please display them.

I consider this seminar series to be so important to the Diocese of Bismarck that I have chosen to financially sponsor the series and have purchased ten seats to be reserved for priests. The seats will be offered on a first to register basis. You can register for particular weekends or for the entire seminar. It is my hope that as many priests as possible will take advantage of this. As you know, each priest receives \$500 per year to be used toward continuing formation. You could use those funds for the series.

Lastly, I ask you to encourage those in your parish who would benefit most from this seminar series to attend – doctors, pharmacists, health care administrators, nurses, NFP instructors, high school religion and science teachers, marriage preparation couples, RCIA and Adult Education Directors, DREs, permanent deacons, etc.

Thank you for your priestly zeal and with a promise of my prayers, I remain

Sincerely yours in Christ,

Most Reverend David D. Kagan, D.D., P.A., J.C.L.
Bishop of Bismarck
